PROJECT SHINE-OC

SAFETY/HEALTH IS NECESSARY AND ESSENTIAL FOR OPTIMAL CARE

ocapica

SHINE-OC Open to Support Community Needs

Project SHINE-OC is a Full-Service Partnership (FSP) program that provides intensive, community-based mental health services using the evidence-based Assertive Community Treatment (ACT) and Forensic Assertive Community Treatment (FACT) models. Through a "whatever it takes" approach, we help participants achieve recovery, build independence, and reach their personal goals.

Who We Serve

Adults 18 years and older in Orange County living with serious mental illnesses who are:

- At risk of or have a history of psychiatric hospitalization
- Homeless or at risk of homelessness
- At risk of or have a history of incarceration
- Experiencing legal system involvement or other legal challenges
- Living with a serious substance use disorder or co-occurring mental health and substance use disorder
- Facing cultural or linguistic barriers to accessing behavioral health services

Services Provided

- Therapy and psychiatric services
- Rehabilitation services
- Intensive case management
- Benefits acquisition
- Peer support
- Vocational and educational support
- 24/7 crisis response and intervention
- Co-occurring substance use support
- Basic needs support (housing, food, transportation, etc.)
- Care coordination with primary care providers
- Referral and linkage to community resources
